David Yurman x Patrón Limited-Edition Añejo Dagger Bottle Stopper

By Jay Casteel / Published 12/12/13

Designer David Yurman recently teamed up with the Mode Design Group for limited bottle stopper designed for the Patrón Añejo bottle.

Released in time the Holiday 2013 season, the dagger-shaped stopper is die-cast in zinc and electroplated with both gunmetal and 24k gold. The hilt is adorned in intricately carved detailing inspired by 18th century samurai swords, reflecting Yurman's appreciation for unique and rare cultural artifacts.

The David Yurman x Patrón Limited-Edition Añejo Dagger Bottle Stopper is available at select retailers for \$60.
